Mr. William A. Waldron

Boston 9, Massachusetts

Dear Mr. Waldron:

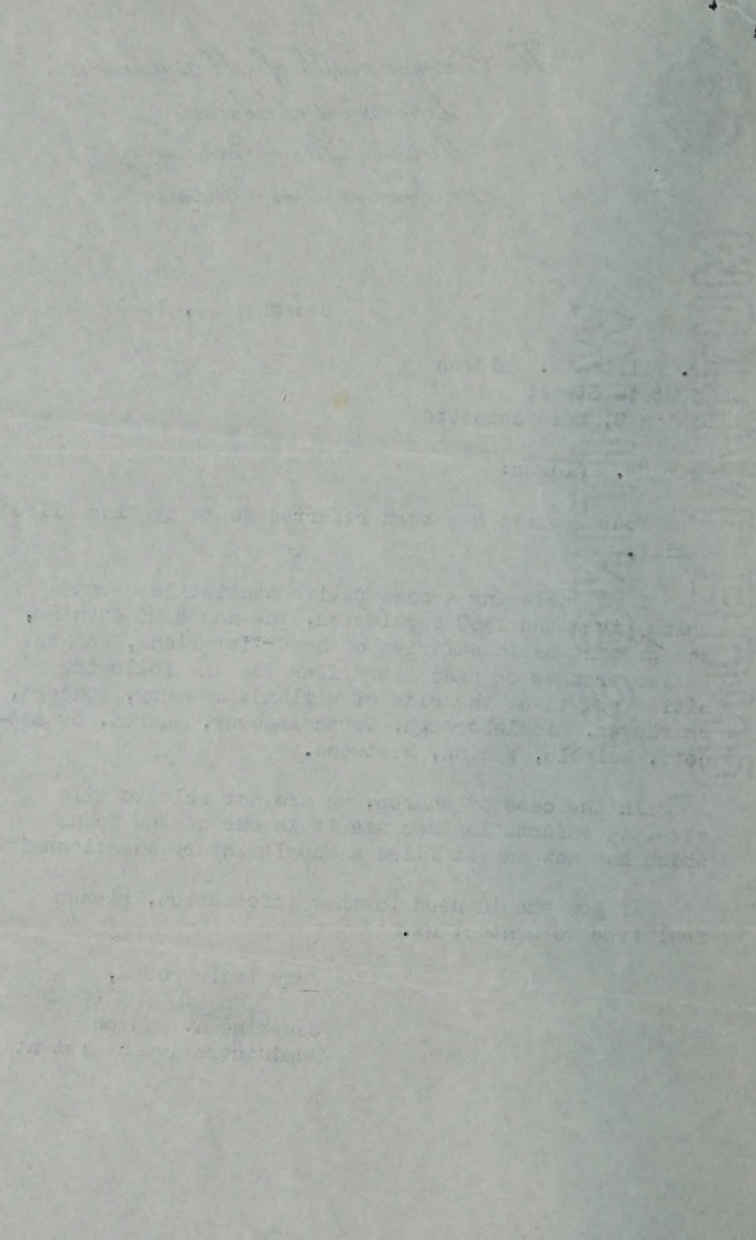

Your request has been referred to me by Miss Alice Cahill.

I am enclosing a comparative statistics chart which gives the 1960 population, the hours of opening, the present basic salaries of head librarians, and the salary ranges of head librarians for the following cities and towns the size of Wayland: Amesbury, Concord, Fairhaven, Middleborough, North Andover, Sharon, Swampscott, Walpole, Weston, Westwood.

In the case of Sharon, we are not able to file complete information because it is one of the towns which has not as yet filed a supplementary questionnaire.

If you should need further information, please feel free to contact us.

Very truly yours,
Josephine A. Hudson
